

MAP OF DOWNTOWN BATTLE CREEK

WALKING GUIDE

Downtown Battle Creek will be transformed into a beautiful array of lighting with the 2011 International Festival of Lights. The lighted holiday displays celebrating the season will encourage visitors to walk along the linear path near the Battle Creek River.

After seeing the lights, visitors can go to any one of Downtown's many restaurants for a meal, dessert, or just a cup of hot chocolate. We invite everyone to join in this most glorious celebration in downtown Battle Creek!
