2019 International SummerFest Vendor/Performance Selection Criteria

The International SummerFest is a free family-friendly event to celebrate the diverse cultures in the Battle Creek area. As part of this event the committee is committed to creating an event where all people are welcome and able to participate. As part of this commitment we ask that our vendors serve under the following criteria.

- + Vendor must be a Battle Creek-area resident, group, nonprofit, business, and able to deliver culturally relevant food, art, activity, and/or short performance that all people can participate in.
- + Vendor must be able to present a positive attitude and presence.
- + Vendor must have capacity (product and workforce) to serve samples up to 2000 attendees. If serving food, vendor must have the ability to acquire temporary food service license. BCvision can assist with obtaining a food service license.
- + Vendor has the option to provide a sample of what there is to see, do, hear, taste, and learn at the International SummerFest.
- + International SummerFest is a nonpartisan event.
- + Alcoholic beverages, tobacco products, and e-cigarettes are strictly prohibited.
- + The International SummerFest staff will do its best to provide space, electricity, and any booth special requests. Vendors must have their own equipment, traditional garments, giveaways, etc. If you need assistance with any of these, please ask.

To apply to be a vendor, please email us by July 1.

Contact us at support@battlecreekvision.com or 269.719.8888.
